## APPENDIX VI

## Concessions and facilities available to industries in Rajasthan

The industrial policy of the State has generated a favourable climate and opened up a new horizon for the rapid and diversified growth in the industrial sector. The positive assistance in securing industrial inputs and generation of conducive atmosphere for industrial entrepreneurship are the principal features of the policy. Incentive oriented attitude have immensely attracted the new entrepreneurs. This brochure seeks to enumerate, in brief, the various concessions and facilities offered by the State Government for promoting industrialisation in the State.

**Definition of SSI.** Industrial Units having investment in Plant and Machinery upto Rs. 10 lakhs are categorised as small scale Industries. The following type of ancillary units having investment upto Rs. 15 lakhs are also in the category of SSI.

Units engaged in :—

- a) The manufacture of parts, components, subassemblies, toolings or intermediates, or
- b) The rendering of services; and supplying or rendering, or proposing to supply or render 50% of their production or the total services, as the case may be, to other units for production of other articles;

Provided that no such undertaking shall be a subsidiary or owned or controlled by any other undertaking.

#### Procedure of Registration of S. S. I. Unit:—

Powers of registering S. S. I. units have already been delegated to district officers. Proposed units are registered on provisional basis for a period of six months, renewable for a period of 6 months in genuine and reasonable cases. Application forms for provisional registration can be obtained against payment from concerning district offices. Entrepreneurs are required to submit this form duly filled-in to the concerning district officers and can apply for land/loan and other concession and facilities only after registration of units.

The parties are required to apply in a separate application form for permanent registration of the unit, in case if they have taken all the steps to establish the unit. Permanent registration certificate is also issued by District Offices, after being satisfied that the unit has installed machinery etc. and got power connection where necessary and is capable of starting/production activity or has actually gone into production.

**1. Land:** The State Government have a very liberal policy for allotment of land for the Purpose of setting up industries at selected places in Rajasthan. The Government have set-apart large areas of land at various places in the State and are developing industrial areas at these places. Land in industrial areas is allotted to industries on lease for a period of 99 years, renewable for a further period of 99 years.

Where no industrial area has been declared or where no land is available in the industrial areas, provision for conversion of agricultural land into industrial land exists in Rajasthan land Revenue conversion of Agriculture into Non-Agriculture Land Rules, 1961.

Rajasthan State Industrial and Mineral Development Corporation, (RIMDC) 100, Jawahar Lal Nehru Marg, Jaipur has been made responsible for acquiring, developing and allotting land in the declared industrial areas. The corporation charges the development expenses and the annual economic lease rent at the following rates.

#### Category 'A'

Industrial areas adjacent to Jaipur city and Kota city.

Rs. 7.50 per sq. metre.

#### Category 'B'

Industrial area adjacent to the towns of Jodhpur & Alwar including the proposed Industrial Area, Bhiwadi (Distt. Alwar).

Rs. 5.00 per sq. metre.

Category 'C'

Industrial areas adjacent to the towns of Udaipur and Ajmer and Industrial Areas in smaller towns like Bharatpur, Pali & Kishangarh

Rs 3 50 per sq metre

Category 'D'

Industrial areas in less popular places like Pilani, Niwai, Sikar & Abu Road

Rs. 2 50 per sq metre

Category 'E'

In the remaining Backward Areas and places away from Municipal towns

Rs 2 00 per sq metre

In case undeveloped land is allotted by R I M D C in proposed Industrial Area, Bhiwadi (District Alwar), the rates will be Rs 1 75 per square metre or the cost of acquisition of the land plus 10% administrative charges, whichever is higher

The annual economic rent charged by the R I M D C is as follows .

- |                                                            |                            |
|------------------------------------------------------------|----------------------------|
| i) In towns with a population of 3 lakhs and above         | Rs 50/-per 4000 sq metres  |
| ii) In towns with population of 10000 and above to 3 lakhs | Rs 30/- per 4000 sq metres |
| iii) In towns with population of less than 10000           | Rs 15/- per 4000 sq metres |

Sheds on Hire purchase from RIMDC. RIMDC Constructs the factory sheds in its own industrial areas on hire purchase basis in standard sizes of 80'x82', 80'x40', 40'x66', 40'x40' and comprising steel tubular structure with A C sheet roofings. Factory buildings are constructed as per customer's drawings and specifications provided the total cost does not exceed rupees one lakh

The cost of sheds and buildings is payable as under —

25% within 10 days from the date of acceptance of request for construction by the Corporation (12 50% in case of engineers setting up the industries)

Balance in 8 annual equal instalments with 9 50% interest or as decided from time to time

An entrepreneur is required to submit an application on the prescribed form to the Resident Engineer of the Corporation. The form is obtainable from the RIMDC office on payment of Rs Five

Sheds for educated non employed persons. The corporation, under a scheme of the Government of India has constructed a number of sheds for educated un employed persons at Jaipur, Kota, Alwar, Jodhpur and Ajmer. More sheds are likely to be constructed in these areas as well as in Udaipur, Bharatpur, Sawai Madhopur, Sikar, Pilani (Jhunjhunu), Sadulpur (Churu) Pali and Niwai (Tonk)

2 Industrial Estates. The State Government had built industrial estates at Jaipur, Jodhpur, Udaipur, Sriganganagar, Ajmer, Sumerpur, Pali, Bikaner, Bharatpur, Kota, Bhilwara, where in built up factory sheds with amenities like water, electricity, transport roads, Bank, Post Office etc have been provided. The sheds have been/ are allotted to small scale industries on rent/ hire purchase basis at nominal rates. Sheds can now be allotted jointly to two or more units and the lessee has further been given the facility to sell his unit except the shed and lease rights. Under the same rules a lessee can opt to convert the lease into hire purchase agreement or out right sale. Open plots of land in industrial estates are also allotted on lease basis for 99 years for the purpose of construction of factory sheds.

Provision also exists for establishment of industrial estates by private agencies where the Government stands guarantee for the loan raised by the private agencies from any Bank/LIC under an amendment in allotment rules. Such assisted industrial estates have been established at Rani, falna (both in Pali distt ) & Beawar

### 3. Industrial Areas developed by Department :

Besides the industrial areas developed by RIMDC, 15 industrial areas at the following places have been developed by the department. Infrastructure facilities like road, water and power are available in these areas.

- |                            |                       |
|----------------------------|-----------------------|
| 1. Alwar                   | 2. Banswara           |
| 3. Bharatpur               | 4. Bhilwara           |
| 5. Bikaner                 | 6. Chittorgarh        |
| 7. Dholpur                 | 8. Gangapur City      |
| 9. Hanumangarh             | 10. Jaipur [Jhotwara] |
| 11. Jaipur [Sudershanpura] | 12. Jodhpur           |
| 13. Kota                   | 14. Nagaur            |
| 15. Sawai Madhopur         |                       |

Plots in these areas are allotted by the department, in case if any plot becomes available as a result of cancellation of plots allotted to any party.

The entrepreneurs are required to apply for allotment of plots in these areas in a prescribed application form obtainable from the Directorate as well as from district offices, against payment of Rs. 2/-.

### 4. Saline Areas:-

The Government have issued Rajasthan Land Revenue (Saline Areas Allotment) Rules, 1970 under which saline areas are allotted to interested parties for salt-manufacture. Interested parties can send their application to Director of Industries after the same are invited for allotment by notification in the official gazette and some news papers. Land in saline areas, is allotted generally not exceeding 150 acres. Land Revenue of Rs. 15/- per acre per annum is charged and the area is given on lease for a period of 10 years renewable for another 10 years at the option of the lessee.

Besides this, contracts for sajji and paparkhar in the state are granted under Rajasthan Land Revenue [Paparkhar & sajji producing Areas Lease] Rules, 1968. The lease for sajji and paparkhar areas is auctioned. The lease period for sajji is one year and for paperkhar, 3 years.

5. Financial Assistance : Finance is provided to the small scale industries at attractive rates of interest by the following agencies:-

5.1 State Aid to Industries Act: Loans on liberalised terms are made available by the State Government to SSI units under the Rajasthan State Aid to Industries [Loans] rules, 1963 for acquiring fixed assets and also for working capital upto Rs. 15,000/-. Interest is charged from individuals firms at the rate of 6% per annum if the instalments of principal sum and interest are deposited on due dates otherwise a penal interest @ 12% p. a. is charged. The loan is repayable in 7 annual equated instalments within the period of 8 years as the first instalment becomes due after 2 years. The District Officer of the Industries Department is empowered to grant loan upto Rs. 5,000/- to SSI units through the District Loan Committee. Beyond this limit, loans upto Rs. 15000/- are sanctioned by the Director of Industries on the recommendation of the District Officer of the Industries Department.

The State Government has decided that the stamp duty in respect of mortgage deeds executed by the small scale industries in connection with SSI loans shall be charged 50% of the usual stamp duty for the loan disbursed under State Aid to Industries (loans) Rules, 1963.

5.2. Rajasthan Financial Corporation : Rajasthan Financial Corporation grants long term loans for fixed assets or for meeting the working capital requirements for establishment expansion, modernisation and renovation of industrial units. The Corporation does not grant financial assistance less than Rs. 10,000/-. The maximum limit of accommodation to a single borrower is Rs. 15 lakhs except in the case of a limited company or a registered Co-operative Society for which the limit is Rs. 30 Lakhs. Arrangements can also be made by the Corporation to provide loans to large scale industries beyond Rs. 30 lakhs under participation arrangements with the I.D.B.I. or I.F.C.I.

**Security** Loans are advanced against tangible securities. Loans can also be advanced against the guarantee of the State Government, a scheduled bank or a State Co-operative Bank.

**R F C** ordinarily grants loans against first registered mortgage of all the existing and future assets of the borrower (excluding raw material stock in hand, finished and unfinished goods). Where the net value of assets offered in security is inadequate to secure the amount of loan required, the Corporation may accept collateral security.

**Margin** The loan is advanced not exceeding 60% of the net value of assets mortgaged in the case of land building and indigenous plant and machinery and not exceeding 75% of the C I F value plus customs duty in case of imported plant and machinery.

**Rate of interest** 4% above the prevailing bank rate with a rebate of 1/2% for prompt and timely payment but in no case the minimum rate of interest after allowing the rebate will fall below 12 1/2% per annum.

**Concessional rates** (i) In case of loans in which refinance from IDBI is available at 8.5% p.a., the effective rate of interest will be 12% p.a. if the instalments of principal sum and interest are paid on due dates; otherwise the normal rate of interest will be charged.

(ii) In the case of loans to small scale industries (other than those under soft loan scheme) covered by the Credit Guarantee Scheme and Technicians Assistance Scheme in which refinance from IDBI is available at 7% p.a., the effective rate of interest will be 10.5% p.a. if the instalments of the principal sum and interest are paid on due dates; otherwise the normal rate of interest will be charged.

**Re-Payment** The repayment period is spread over 10 to 12 years.

**5.3 Soft Loan Scheme** The Rajasthan Financial Corporation grants loans from Rs. 10,000 to Rs. 1,50,000 to small scale units for purchase of land, construction of factory buildings and for purchase of plant and machinery for any of the activities engaged in manufacturing, preservation, processing of goods and mining. The Corporation may also grant loans for working capital upto 25% of the total amount of loan sanctioned for fixed assets in special circumstances.

|               |                                                                    |            |
|---------------|--------------------------------------------------------------------|------------|
| <b>Margin</b> | <b>1 Against new building and Machinery</b>                        | <b>25%</b> |
|               | <b>2 Against land and old residential building &amp; Machinery</b> | <b>50%</b> |
|               | <b>3 In case of old residential building</b>                       | <b>50%</b> |
|               | <b>4 In case of new residential building</b>                       | <b>25%</b> |

**Interest** In the case of loans granted under the soft loan scheme of the Corporation to units in non backward areas on which 3% subsidy is available from the State Government, the effective rate of interest will be 8% provided instalments of principal sum and interest are paid on due dates; otherwise the normal rate of interest charged. In case of loans granted to units in backward areas for which refinance is available at 5.5% p.a. from the IDBI and 1% subsidy is available from the State Government, the effective rate of interest will be 8% p.a. provided instalments of principal sum and interest are paid on due dates; otherwise the normal rate of interest is charged.

Recently rates of interest have been increased by 1% by R F C for the advances made to all the industrial units.

**5.4 Technicians Assistance Scheme** - Under this scheme the maximum limit of assistance will be granted by the Corporation to any single project not exceeding Rs. 2 lakhs. Assistance given under this scheme shall be without margin of security i.e. 100% could be advanced for creation of block assets viz. building, plant and machinery. The assistance under the scheme is limited to small scale units. Under this scheme the proposal shall satisfy the following conditions -

1. The applicant should be a qualified engineer holding a degree or polytechnic diploma in engineering. Technicians should also attach complete bio-data along with certificates and testimonials duly certified by a Gazetted Officer. The technician is also permitted to take non technical partner.

2. The project should be technically feasible. The applicant should indicate clearly how his experience and knowledge would be helpful in implementing the project.

3. The scheme should preferably be technique-oriented.

Scheme laying stress on utilisation of local raw-material in an improved way for manufacture of industrial products will be given preference.

5.5 **Margin money** : R. F. C. has reduced the existing margin of 25% to 15% for all the educated un-employed persons who set-up small scale industries in the State.

5.6 **Incentives and concessions to entrepreneurs for setting up industries in backward areas of the State :**

The Government of India have declared 16 out of 26 districts of the State as industrially backward. These 16 districts are : Alwar, Barmer, Banswara, Churu, Dungarpur, Jodhpur, Jaisalmer, Jhalawar, Jalore, Jhunjhunu, Nagaur, Sikar, Sirohi, Tonk, Udaipur and Bhilwara. In the case of loans to units in backward areas where refinance is available from I. D. B. I. at 5.5% p. a. and where  $\frac{1}{2}$ % subsidy is available from the State Government, the effective rate of interest will be 9% p. a. if the instalments of principal sum and interest are paid on the due dates ; otherwise the normal rate of interest will be charged. Re-payment of period may be extended beyond 10 years.

15% subsidy is provided by Government of India in specified backward districts of Alwar, Bhilwara, Churu, Jodhpur, Nagaur and Udaipur for projects costing upto Rs. 1 Crore.

Loans upto Rs. 2 lakhs granted to technocrats without security Margin.

Benefits of Equitable mortgage given upto Rs. 1.5 lakhs in all cases and upto Rs. 2 lakhs for technocrats.

Application fee for financial assistance to Technocrats & Ex-servicemen will be reduced to 50%.

All applications should be submitted on the prescribed form applicable for each scheme which may be obtained from the Head Office of the Corporation or its Branch Offices at Alwar, Jodhpur, Kota and Udaipur and other places as well as from the District Offices of the Industries Department.

6. **Commercial Banks** : The nationalised banks and other commercial banks are advancing loans to industries on liberal terms @  $9\frac{1}{2}$  to 10% interest against the security of plant, machinery and buildings, repayable in 5 to 7 years. Loans are advanced for working capital in the form of cash credit facilities against pledge/hypothecation of materials as well as discount bills. These banks have special scheme, to assist persons having technical experience, for setting up worthwhile projects. Projects requiring total financial assistance between Rs. 2 to 3 lakhs are considered for providing liberal assistance under this scheme.

7. **Supply of Machinery on hire Purchase** : National small Industries Corporation Limited, New Delhi finances for purchase of new plant and machinery under hire purchase scheme to new or expanding units by making full payment to supplier and collecting the amount from the purchasers in instalments. The earnest money deposit is 10% of the F.O.R. price for indigenous machines and 5% of the landed cost for imported machines. In the case of indigenous machines, 5% of the earnest money may be paid by Demand Draft and balance 5% by a Bank Guarantee.

Moulds, dies, spares etc; are supplied against 100% payment, 25% may be paid by Demand Draft and the balance by a Bank Guarantee encashable at the time of delivery of these items. These items when delivered, will become the property of the hirer subject to certain conditions and can be hypothecated to banks for necessary credit facilities. The administrative charges will be 2% of the landed cost or of the F.O.R. price. The clearing charges for imported machines will be  $1\frac{1}{2}$  % of C.I.F. value.

Applications are to be made in the prescribed form available on payment from any of the offices i.e. The Small Industries Service Institute, M.I. Road, Jaipur, Office of the National Small Industries Corporation Limited, New Delhi, Prestige Chambers, Kalyan St. Masziti East, Bombay, 125 Mount Road Madras-6/20, British India Street, 7th Floor, Calcutta.....

## 8 Concessions in Power Charges :

1

(1) Electro-chemical and electro-thermal industries established/expanded after 1st April, 1968 are re-exempted from payment of electricity duty. Industries have otherwise to pay electricity duty at the nominal rate of 1 paise per unit.

ii) Industries established/expanded between 1.4.1968 and 31.3.79 are exempted from payment of electricity duty for 7 years.

iii) Power subsidy is granted in S.S.I. units where the tariff exceeds 12.5 paise per unit by subsidising the excess tariff upto maximum of 6 paise per unit.

iv) Rebate at the following rates is available upto 31.3.1979 in new industries which start drawing power after 1.3.1974 but before 31.3.1979.

| Contract Demand :                   | Rebate |
|-------------------------------------|--------|
| a) More than 6000 KVA               | 15%    |
| b) More than 1200 KVA upto 6000 KVA | 12½%   |
| c) More than 125 KVA upto 1200 KVA  | 10%    |
| d) New Small Scale industries       | 25%    |

Cost of service lines is borne by Rajasthan State Electricity Board in case of H.T. and medium industries consumers. However, initially the cost is paid by the consumer to the Board as an interest free loan and is adjusted against their power supply bills.

## GENERAL LIST (RIMDC, Dungarpur Report 1972)

## High Demand Potential Industries

## Consumer Industries

1. Baby Food Based on Milk
2. Milk Products
3. Skimmed Milk Powder
4. Malted Milk Powder
5. Weaning Food for Babies
6. Protein Foods
7. Dehydrated Vegetables (2) (3)
8. Canned Foods (including Fruit, Meat and Fish) (1)
9. Bread and Biscuits (1) (3)
10. Non-alcoholic Beverages
11. Glucose and Dextrose
12. Maize Products
13. Synthetic Paints, Varnishes and Enamels (1)
14. Detergents (1) (3)
15. Camera
16. Electric Lamps (GLS) Filament, Miniature and Fluorescent Lamps, Photoflash Lamps, Lighthouse and Airport Lighting Equipment (1) (2)
17. Cigarettes and Cigars
18. Torch Cells
19. Footwear (1)
20. Razor Blades
21. Bicycles (1)
22. Mopeds, Auto-Cycles and Scooters
23. Photoflash Batteries
24. Cutlery of Good Quality (1) (2)
25. Watches (1)

## Engineering Industries

1. Automatic Filling, Bagging/Weighing and Stitching Machines
2. Air Conditioning and Refrigeration Industries (1)
  - (i) Centrifugal Packaged Chiller for Conditioning of Multi Storey Buildings etc.
  - (ii) Accelerated Freeze Drying Plant
  - (iii) Air Conditioning Refrigeration Equipments for Transport (Trains, Buses, Trucks, Cars)
  - (iv) Plate Freezers (Plate Assembly only)
  - (v) Sealed and Semi-sealed Air Conditioning Refrigeration Compressors above 7.5 Tonnes

3. Off-Shore Drilling Equipment
4. Automatic Weighing and Packing Machine
5. Tableting Machineries of Sophisticated Types
6. CRGO (Cold Rolled Grain Oriented) Steel
7. High Voltage ERC Fuses
8. Wave Traps with Aluminium Conductors
9. High Frequency/Radio Frequency Cables
10. Machine Tools (1)
  - (i) Glass Making Machinery
  - (ii) High Frequency Induction Heating Equipment
  - (iii) Hydraulic Control Equipment for Machine Tools, Plastics Tractors etc.
  - (iv) Thread Grinding Machines
  - (v) Dye Sinking Machines
- (iv) Numerical Control and Digitized Control Equipment
11. Plastic Working Machinery
12. Precision Measuring Tools
13. Cutting Tools (1)
14. Tractors
15. Power Tillers
16. Automobile Ancillary Industry
  - (i) Crankshafts
  - (ii) Transmission and Rear Axle Assembly
  - (iii) Chasis Members for Motor Vehicles
  - (iv) Hydraulics
  - (v) Castings (1)
17. Agricultural Implements, Machinery (1) (2) (3)
18. Bread and Biscuit Making Plants (3)
19. Ceramic Machinery
20. Combined Harvester (Tractor Mounted and PTO Driven/Self Propelled)
21. Chipboard and Fibre Board Plants
22. Electrical Instruments and other electrical Testing Instruments (Key Industry)
23. Electronic Measuring and Testing Instruments
24. Open Type Ammonia and Freon Compressors of Reciprocating Type Capacities from 1/4 Tonne to Less than 5 Tonnes
25. Industrial Testing and Measuring Instruments
26. Lighting Arresters
27. X-Ray and Electro-Medical Equipment
28. Medical/Surgical Instruments and Appliances

- 29 Pulp and Paper Machinery (including Paper Conversion Machinery)
- 30 Rotovators
- 31 Rubber Machinery
- 32 Scientific Instruments (I)
- 33 Tractor Operated Fodder Mill Food Grinders
- 34 Tractor windrower, Mower, Reapers and Binders for Harvesting Wheat, Paddy, Maize etc

#### Chemical Industries

- 1 Phosphatic Fertilizers (other than Super Phosphates)
- 2 Nylon Yarn
- 3 P V C Stabilisers
- 4 Phthalic Anhydride
- 5 Asbestos Paper and Special Jointing Material  
(i) Asbestos Paper  
(ii) Special Jointing Material
- 6 Graphite Crucibles and Silicon Carbide Crucibles
- 7 Styrene
- 8 Synthetic Crylite and Aluminium Fluoride
- 9 Bromine
- 10 Vinyl Chloride Monomer
- 11 Midget Electrodes

#### Essential Drugs & Pharmaceuticals

- 12 Newer Antibiotics (Neomycin, Erythromycin, Mestatin Polymycin, Hamecin Kanamycin, Griseofulvin & Bacitracin)
- 13 P A S Salts & Esters
- 14 I N H
- 15 De Hydro Emetine (from Basic Stage)
- 16 Oral Antidiabetics like Chlorpropamide, Phenformin Tolbutamide
- 17 Electrolytic Manganese Dioxide
- 18 Synthetic Anti Malarials like Chloroquin, Amodiaquin, Pyrimethamine etc
- 19 Xylocaine
- 20 Pheoyl Butazone & other Anti Rheumatics
- 21 Barbiturates like Phenobarbitone Amylo Barbitone and Pento Barbitone
- 22 Pituitary (Posterior Lobe Extract)
- 23 Atropine

- 24 Caffeine
- 25 Ergot Alkaloids
- 26 Vitamin B-1
- 27 Vitamin B-2
- 28 Vitamin B-6
- 29 Folic Acid
- 30 Vitamin I E
- 31 Antihistamines like Chlorpheniramine Maleate
- 32 Tranquilisers Like Chlorpromazine, Zinc, Meprobamate etc
- 33 Cycloserine Ethionamide Pyrazinamide
- 34 Aminophylline, Theophylline
- 35 Surgical Sutures

#### Other Industries

- 1 Cement
- 2 Pulp, Paper and Newsprint
- 3 Photographic Paper
- 4 Automobile and Tractor Tyres and Tubes
- 5 Refractories (I) (2)
- 6 Carbon Brushes
- 7 Storage Batteries (I)
- 8 Industrial Sewing Machines
- 9 Industrial Explosives
- 10 Glass Bottles and Vials
- 11 High Tensile Bolts and Nuts
- 12 Expanded Metal
- 13 Fishing Hooks and Tackles
- 14 Grinding Wheels and Segments
- 15 Grinding Media
- 16 Pilfer Proof Caps, Metal Closures Screw Caps and the like
- 17 Welding Electrodes and Arc Welding Rods
- 18 Calculating Machines
- 19 Power Operated Office Machines
- 20 Cash Registers both Manual and Power Operated
- 21 Electric Typewriters
- 22 Furnace Lining Bricks
- 23 Mica Products
- 24 Ceramic Types of Oil Seals
- 25 X-Ray Films
- 26 Cottonseed Oil (in terms of cotton seed)

## Other Suggested Industries (RIMDC, Nagaur Report 1971)

**General Engineering**

1. Gears, Gear Boxes
2. Industrial Sewing Machines (1)
3. Garbage Cleaners
4. Tar Mixers and Tar Spraying Machines
5. Earth Rammers
6. Vibrators
7. Stone Crushers
8. Lawn Mowers
9. Spring Scissors
10. Scissors
11. (i) Mechanical Toys-Spring Operated (1) (4)  
(ii) Battery Operated Toys (2)
12. Hydraulic Door Closers
13. Printing Machinery  
(i) Rotary Printing Presses  
(ii) Composing Machinery  
(iii) Treddles
14. Hair Clippers
15. Hand Forged, Small Tools such as Spanners, Hammers, Heads, Screw Drivers
16. Combined Harvester Threshers
17. Punching Machines, File Clips, Stationery Items
18. Shoe Tongs
19. Adhesive Tape Dispenser
20. Sugar Dispenser
21. Tissue Paper Dispenser
22. Liquor Dispenser
23. Numbering Machine (Hand Operated) (2)
24. Hollow Rivets
25. Staplers
26. Coil Springs
27. Cash Register
28. Locks, Hinges and Zip Fasteners
29. Electroplating & Anodizing (1)
30. Coil Type Thermometers (1)
31. Kitchen Machines-Electric Mixer, Grinder etc.
32. Coin Changer/Coin Dispenser
33. Vending Machines (Postal, Consumer Items, Platform Tickets)
34. Franking Machines (Stamps)
35. Candy Making Machinery, Soda Fountain, Espresso Coffee Machine
36. Ice Cream Machinery

37. Bottle Coolers
38. Lead Pencil Making Machinery
39. Spray Guns
40. Collapsible Tubes
41. Plastic Toys, Plastic Foot-wear, Plastic Household Items
42. Household and Industrial Brushes (1)
43. Tabletting Machines
44. Blow Moulded Plastic Components
45. Sugar Machinery Spares

**Machine Tools and Accessories**

1. Tapping Attachments
2. Live Centres, Drive Centres
